DIGITAL JUNGLE
POST PRODUCTION

Logo explorations for a Post Production house in Los Angeles, CA. Leaf design was final choice. Client wanted to concentrate more on the concept of "jungle" and the implied creativity of it's organic nature than the colder aspects of "digital."

A series of ideas for a logo for a restaurant in Atlanta, GA called Silver Moon. Client wanted to include a moon motif, and preferred the use of blue in place of silver.

Original logo

Redesigned logo

Logo redesign for a group of artists who have a yearly show in the heart of Annandale, VA. Each open house show features artists from a different discipline- from fiber arts to painting, wood working, and silversmithing.

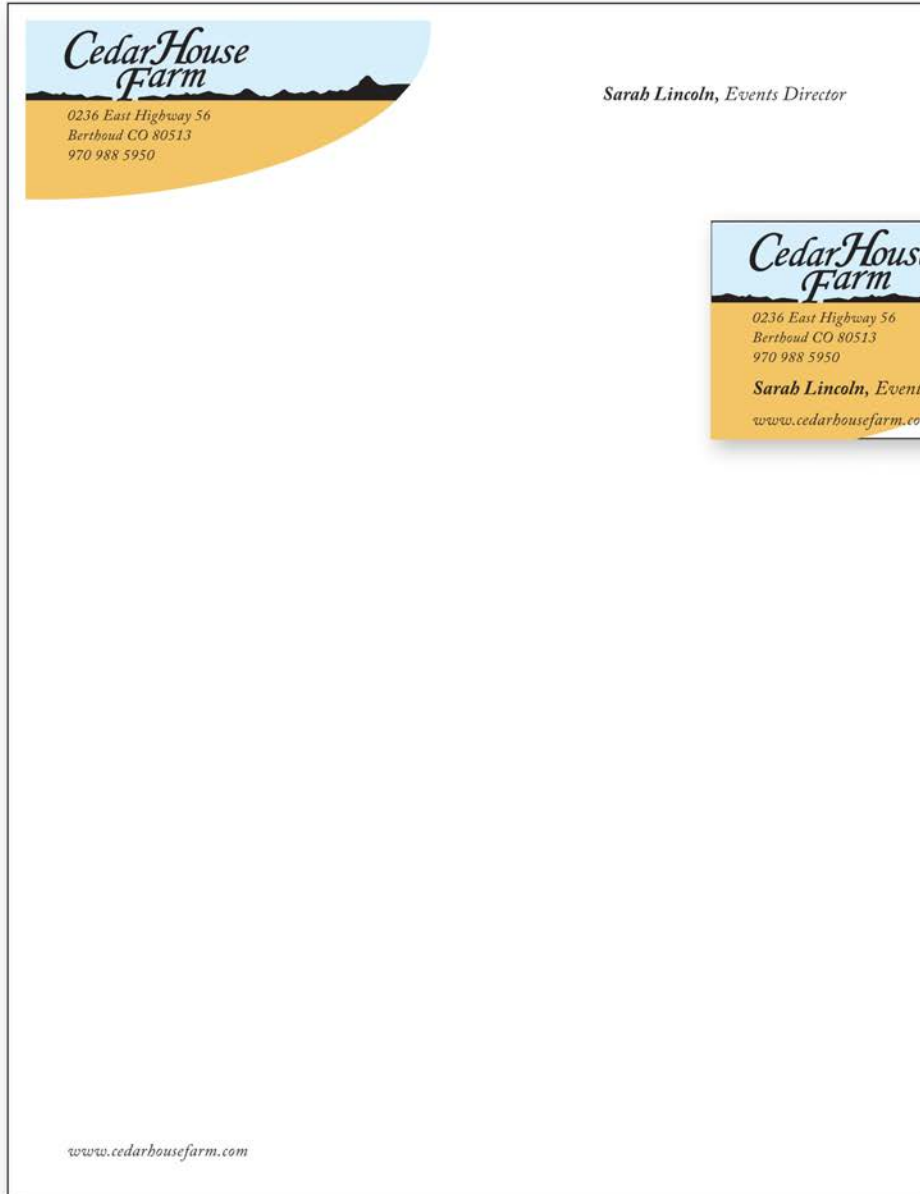

Logo ideas for Harmony Farm, which later became Cedar House Farm.

*Cedar House
Farm*

Logo sketches and letterhead and business card for Cedar House Farm. The Farm has facilities for concerts and is home to the Butch House Recording Studio, "The Ranger Station."

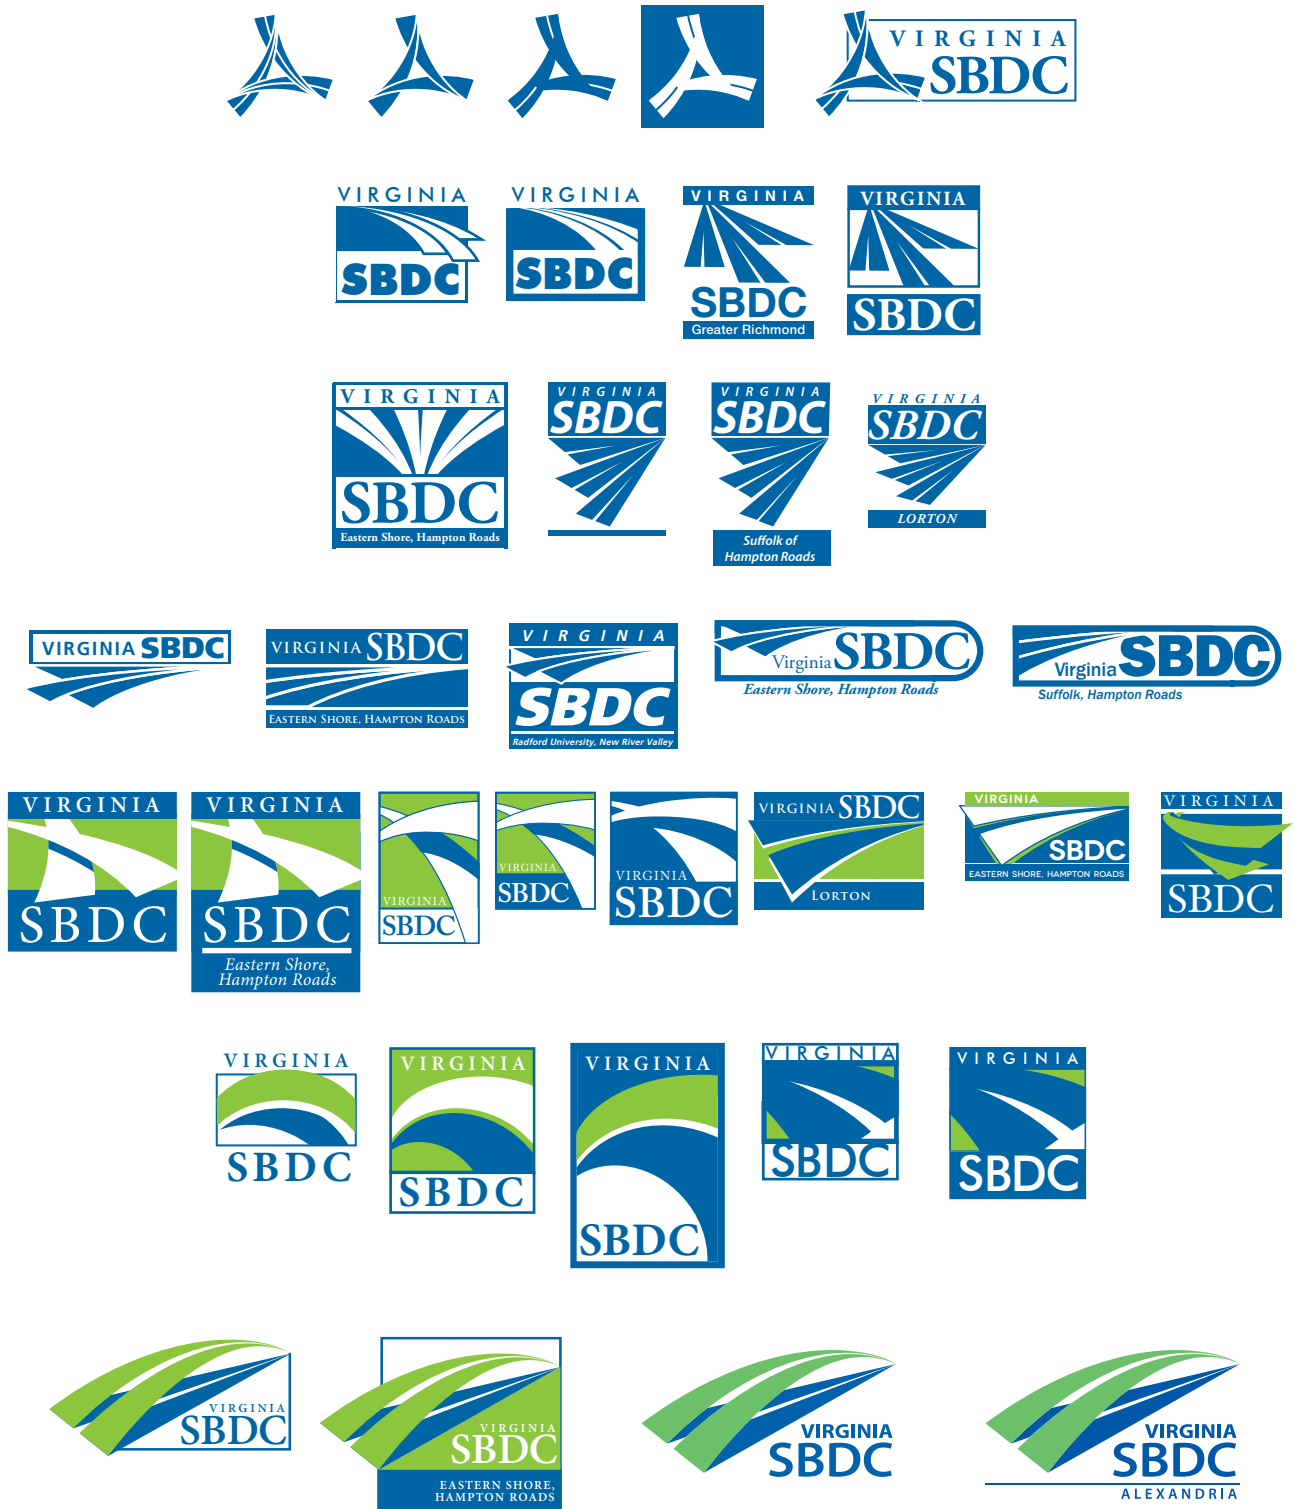

Logo and Business Card for 2Scale Design.

Alternate logo, card layout

Logo design and business card layouts for an Arlington, VA based architectural firm called 2Scale Design.

Various ideas for logo redesign for the VA Small Business Development Center. Main office is in charge of 21 satellite offices spread through Virginia. Each location received a version of the logo with their location indicated, and 21 accompanying files of the logo in a variety of sizes and formats, and a specification sheet indicating proper use.

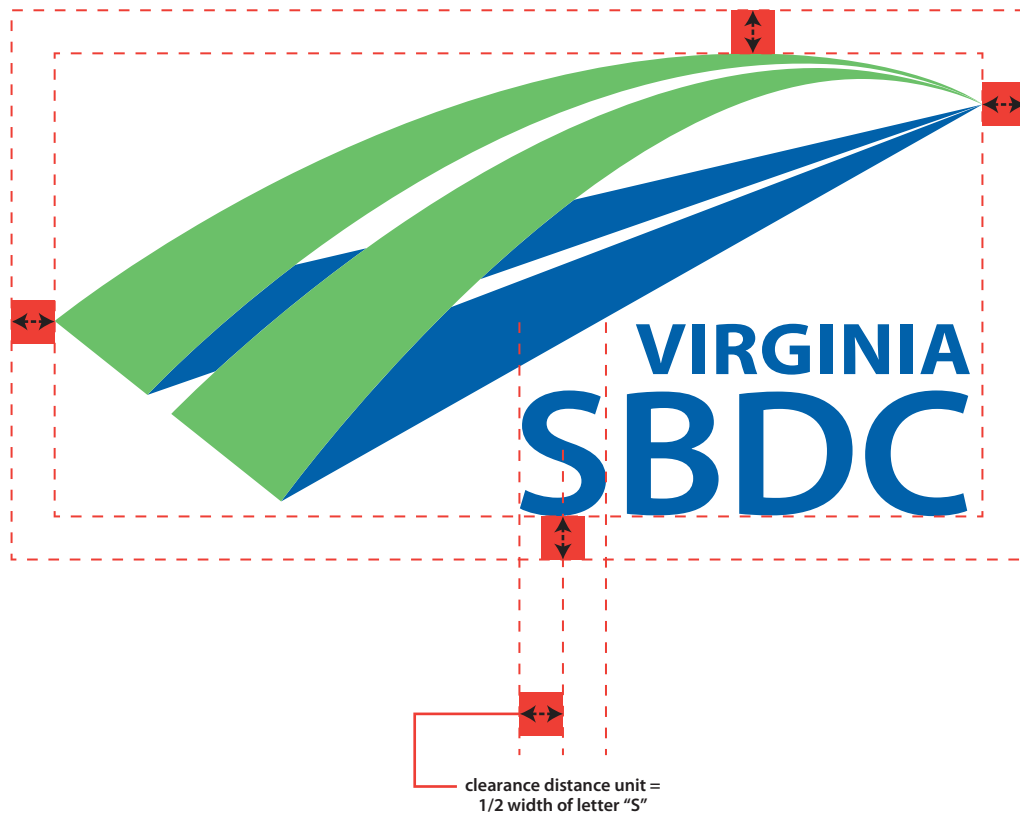

Virginia SBDC Logo

Spacing

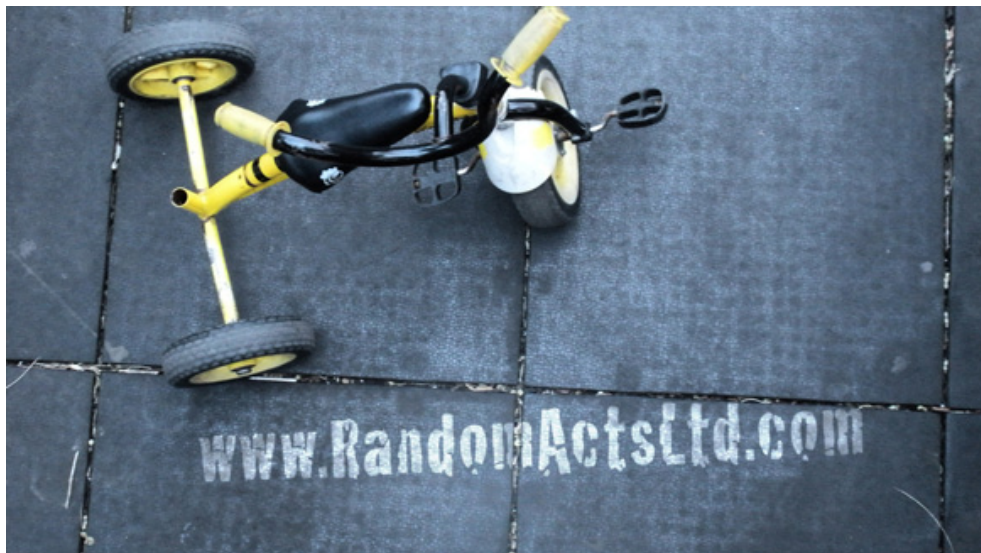

December 06, 2012

Clearance:

The logo should always be used with a minimum clearance which is equal to or greater than half the width of the letter "S" of "SBDC."

First page of specification sheet document for the VA SBDC logo redesign. Document included proper colors, sizing restrictions, and clearance space to be allotted.

Title designs for online broadcast comedy skit: Lords of the Playground, now featured at ParentingMagazine.com.
